Milton Keynes  
Feedback

Since MKCE was established we have been communicating with social enterprises, new start ups and those interested in the movement via newsletters and network meetings.

MKCE runs workshops on:

- Business Planning
- Marketing
- Creating Your Brand
- Using Social Networks
- Consortium Building
- Procurement and Tendering
- Social Return on Investment
- Peer to Peer support

MKCE supports social enterprise by:

- Sitting on the MK Local Infrastructure Partnership
- Attending the formative meetings of the Local Enterprise Partnership and continues to be involved
- Passing information to MK Council for the Local Economic Assessment
- Ensuring that MK social enterprises have had access to over £39K worth of Business Support vouchers
- Bought funds in from the Office of the Third Sector, Capacity Builders and SEEDA

Newsletters and email alerts have ensured information is circulated. In the past 2 years over 200 third sector, social enterprises and emerging social enterprises have been supported.

Increasingly we are asked to be the VOICE of social enterprises in Milton Keynes and we are happy to take this role. However, it is vitally important to us that we are given the mandate by you to do this.

**We will not attend meetings and say we are representing social enterprise unless we truly know we do, therefore...**
